

# Lifecycle Criteria and Certification for Building-Related Products

Updated April 2020 Limited submissions -- For all GEN member criteria, visit [globalecolabelling.net/eco/eco-friendly-products-by-category](http://globalecolabelling.net/eco/eco-friendly-products-by-category)

Ecolabel	Criteria Name	Criteria Code / Number	Product Categories	2020 Licensees	2020 Certified Products
<b>GENERAL BUILDING PRODUCTS</b>					
<b>China CEC</b>	Wood Plastic Composites Products-- Technical requirement for environmental labeling products	HJ 2540-2015	All kinds of wood plastic composite products except those in contact with food and drugs as well as children toys.	8	Not submitted
<b>China CEC</b>	Asbestos Free Building Materials--Technical Requirement for Environmental Labeling Products	HJ/T 206-2005	Various construction products (including tile, pipe, insulation material and so on except plates and building blocks) that employ other fiber to replace asbestos fiber.	1	Not submitted
<b>India GreenPro</b>	Architectural Products	GPSC 001	Architectural Products for Building Interiors	6	102
<b>Japan EcoMark</b>	Building Products (Materials for Interior Work)	No. 123	Materials for wood work, Materials for joiner's work, Materials for carpentry, Materials for unit and other works	67	1878
<b>Japan EcoMark</b>	Building Products (Materials for Exterior Finish and Construction)	No. 137	Materials for waterproofing work, Materials for roofing, Materials for exterior work, Materials for landscaping work such as gardens, water discharge	25	328
<b>Japan EcoMark</b>	Building Products (Materials for Supplies)	No. 138	Materials for masonry, Materials for drainage work, Materials for plastering work, Steel/nonferrous metal materials	7	50
<b>Japan EcoMark</b>	Products for Civil Engineering	No.131	Wood, Steel construction materials, Concrete materials, Concrete product, Landscaping/revegetation materials, Pavement/ Road materials, Materials for temporary structures, Sewage/ waterworks materials, bridges/rivers/harbors, Other materials	139	1154
<b>Korea Ecolabel</b>	Synthetic Resin Moulding Material for Structures	EL725.	Synthetic Resin Moulding Material for Structures	7	Not submitted
<b>Korea Ecolabel</b>	Wood Plastic Composite Products	EL726.	Wood Plastic Composite Products	66	Not submitted
<b>Korea Ecolabel</b>	Copper Alloys for Forging	EL741.	Copper Alloys for Forging	4	Not submitted
<b>Korea Ecolabel</b>	Copper Alloys for Casting	EL742.	Copper Alloys for Casting	14	Not submitted
<b>Korea Ecolabel</b>	Recycled Construction Materials	EL743.	Recycled Construction Materials	790	Not submitted
<b>New Zealand Env Choice</b>	Furniture, Fittings & Flooring	EC-32-17	Indoor and outdoor furniture; Fittings; Panels; Indoor lining products; Indoor flooring	11	106
<b>New Zealand Env Choice</b>	Flat and Long Steel Products	EC-41-15	Steel bar and coil; Steel wire rod; Reinforcing bar and rod; Steel wire products; Steel seamless pipe; Steel flats, angles and channels; Welded wire mesh; Steel plate; Steel strip; Steel hollow sections; Steel welded pipe; Structural beams; Assembled steel products	3	7
<b>New Zealand Env Choice</b>	Pre-painted & Resin Coated Steel Products	EC-57-16	Painted steel roofing products Pressed or rollformed steel products	3	3
<b>Russia Vitality Leaf</b>	Polyvinylchloride profiles. Environmental assessment criteria. Implementation rules.	STO VL 1.14.5772-13-1.0	Polyvinylchloride profiles.	1	2

<b>Singapore Green Label</b>	Recycled and or renewable fibre products	35	Product from Recycled and or renewable fibre	25	33
<b>Singapore Green Label</b>	Recycled and or sustainable content Products	43	Recycled and or sustainable content Products	50	70
<b>Ukraine Living Planet</b>	Rolling steel. Environmental criteria for life cycle assessment	SOU OEM 08.002.24.073:2 016	PE-148.02 Ecolabel for Steel products for construction of the Brazilian Association for Technical Standards Environmental Labeling, IDT	1	1
<b>Ukraine Living Planet</b>	Products made of polymer materials. Environmental criteria for life cycle assessment	COY OEM 08.002.14.055:2 010	Products made of polymer materials.	5	7
<b>GENERAL BUILDING EQUIPMENT</b>					
<b>India GreenPro</b>	Indoor Air Quality Solutions	GPSC 013	Indoor Air Quality Monitoring Devices , Indoor Air Quality Controlling Devices	7	15
<b>Israeli Green Label</b>	Fire Detection and Automatic Extinguishing Systems	122	Fire protective signalling systems, Automatic fire extinguishing systems	2	31
<b>Japan EcoMark</b>	Building Products (Equipment)	No. 139	Fire escape equipment, security system, Plumbing equipment	4	74
<b>ADHESIVES</b>					
<b>China CEC</b>	Adhesive--Technical requirement for environmental labeling products	HJ 2541-2016	Water-based packaging adhesive, construction adhesive, wood-processing adhesive, footwear and case and bag adhesive, carpet adhesive and bookbinding adhesive.	242	Not submitted
<b>India GreenPro</b>	Construction Chemicals	GPSC 006	Admixtures, Adhesives & Sealants, Grouts, Protective Coatings, Water Proofing Coatings	2	11
<b>Korea Ecolabel</b>	Adhesives	EL251	Adhesives	85	Not submitted
<b>Nordic Swan</b>	Chemical building products	97	Adhesives; Exterior paint; Filler; Impregnating agents for tiles, stone and concrete; Industrial paints and varnishes; Outdoor varnishes and outdoor stain; Primer; Sealants; Self-levelling	13	123
<b>N America Green Seal</b>	Commerical Adhesives	GS-36	adhesives intended and labeled for commercial use, adhesives applied onto substrates, and aerosol adhesives	2	12
<b>Singapore Green Label</b>	Adhesives/ Sealants	40	General Purpose adhesives and sealants for building work	20	50
<b>CERAMIC, BRICKS &amp; BLOCKS</b>					
<b>China CEC</b>	Blocks for Architecture--Technical Requirement for Environmental Labeling Products	HJ/T 207-2005	Construction blocks such as light aggregate concrete small hollow blocks, autoclaved aerated concrete blocks, fly-ash blocks, gypsum blocks and sintered hollow blocks.	0	0
<b>China CEC</b>	Ceramics Tile--Specifications for Environmental Labeling Products	HJ/T 297-2006	Ceramics tiles manufactured from various technologies.	29	Not submitted
<b>EU Ecolabel</b>	Hard coverings	2009/607/EC	Natural stones, agglomerated stones, concrete paving units, terrazzo tiles, ceramic tiles and clay tiles. For hard coverings, the criteria can be applied both to floor and wall coverings, if the production process is identical and uses the same materials and manufacturing methods.	14	2766
<b>India GreenPro</b>	Construction Blocks	GSPC 005	Recycled Concrete Blocks and Autoclaved Aerated Blocks	7	8
<b>India GreenPro</b>	Tiles	GSPC 017	Ceramic Tiles for Indoor Application	4	51

<b>Israeli Green Label</b>	Hard Surfacing	26	Rigid products intended for outdoor or indoor use, that they are not for structural use, and are suitable for cladding vertical or horizontal surfaces. Natural stone,Artificial stone,concrete paving units,terrazzo tiles,ceramic tiles,glass tiles,clay tiles,roofing tiles,outdoor coating,	4	30
<b>Israeli Green Label</b>	Construction Blocks	12	This criteria is applicable to blocks in external walls and blocks in indoor partitions of the following types:Concrete blocks of natural aggregates. Concrete blocks containing lightweight aggregates or a mixture of lightweight and natural aggregates. Calcium silicate blocks. Autoclaved aerated concrete blocks	12	85
<b>Japan EcoMark</b>	Tile-blocks	No. 109	Ceramic tiles, Bricks and blocks, Other tiles and blocks	41	763
<b>Korea Ecolabel</b>	Water-Permeable Concrete Pavements	EL245	Water-Permeable Concrete Pavements	115	Not submitted
<b>Korea Ecolabel</b>	Blocks, Tiles and Panels	EL745.	Blocks, Tiles and Panels	487	Not submitted
<b>Singapore Green Label</b>	Ceramics Tile	24	Ceramic tiles used for flooring and wall covering.	5	50
<b>Singapore Green Label</b>	Brick	23	Bricks	1	2
<b>Ukraine Living Planet</b>	Ceramic products. Environmental criteria for life cycle assessment	SOU OEM 08.002.15.012: 2009	Ceramic products.	1	19

#### CONCRETE & CEMENT PRODUCTS

<b>China CEC</b>	Cement--Technical requirement for environmental labeling products	HJ 2519-2012	Common Portland cement produced by the new dry cement production process.	16	Not submitted
<b>China CEC</b>	Ready-mixed concrete--Technical requirement for environmental labeling products	HJ/T 412-2007	Ready-mixed concrete in a concentrated batch plant.	6	Not submitted
<b>India GreenPro</b>	Concrete Products	GSPC 016	Low Density Concrete, Self-Compacting Concrete, Concrete with high SCM,Pervious Concrete, High Strength Concrete and Durable Concrete	11	29
<b>India GreenPro</b>	Cement Products	GSPC 003	Portland Slag Cement, Portland Pozzolana Cement and Composite Cement	3	17
<b>India GreenPro</b>	Ground Granulated Blast Furnace Slag	GSPC 010	Ground Granulated Blast Furnace Slag (GGBS)	3	3
<b>Israeli Green Label</b>	Portland cement and cement mixtures	119	Portland cement and cement mixture products with other natural materials. pozzolanic (fly ash, slag, slag-like or cement-like materials)	3	9
<b>Korea Ecolabel</b>	Recycled Slag Products	EL744.	Recycled Slag Products	191	Not submitted
<b>New Zealand Env Choice</b>	Portland Cement & Portland Cement Blend	EC-42-19	Portland cement; Inter-ground or blended mixtures of Portland cement	1	2
<b>New Zealand Env Choice</b>	Concrete: Ready Mixed Concrete, Pre-cast Concrete, Concrete Products & Dry Bagged Mortars	EC-43-18	Ready mixed concrete; Dry bagged mortars; Pre-cast concrete products; Masonry blocks and pavers; Autoclaved aerated concrete products	1	1
<b>Singapore Green Label</b>	Cement & Concrete Product	22	CERAMIC, BRICKS & BLOCKS--supplementary cementitious materials, concrete that utilize recycled aggregates, concrete that utilize reused by product aggregate	80	200
<b>Ukraine Living Planet</b>	Concrete and concrete products. Environmental criteria for life cycle assessment	SOU OEM 08.002.16.004: 2010	Concrete and concrete products.	1	4

#### DOORS & WINDOWS

<b>China CEC</b>	Wooden doors and steel doors--Technical requirement for environmental labeling products	HJ 459-2009	Wooden doors, steel doors and wood-steel doors.	88	Not submitted
<b>China CEC</b>	Plastic Doors and Windows--The Technical Requirement for Environmental Labeling Products	HJ/T 237-2006	Various kinds of plastic doors and windows that meet requirements for relevant sectional materials and are assembled and installed in accordance with unified standard.	1	Not submitted
<b>India GreenPro</b>	Doors and Windows	GSPC 008	Doors and Windows (Steel & Wood)	4	6
<b>Korea Ecolabel</b>	Access Floors	EL253.	Access Floors	37	Not submitted
<b>Korea Ecolabel</b>	Artificial turf and Other turf components	EL257.	Artificial turf and Other turf components	154	Not submitted
<b>Korea Ecolabel</b>	Wood for Floor Decking Treated with Preservative	EL258.	Wood for Floor Decking Treated with Preservative	1	Not submitted
<b>Korea Ecolabel</b>	Windows and Auxiliary Parts for Windows	EL250	Windows and Auxiliary Parts for Windows	2,088	Not submitted
<b>Nordic Swan</b>	Windows and exterior doors	62	Balcony door; Exterior door; Window	5	61
<b>N America Green Seal</b>	Windows	GS-13	windows, skylights, glazed exterior doors, and storm doors	1	28
<b>Russia Vitality Leaf</b>	Windows. Environmental safety requirements and evaluation methods.	STO-56171713-015-2017	Windows	0	0
<b>Singapore Green Label</b>	Doors	70	Doors and Windows--Doors with the various building materials: 1) Wood and engineered wood; 2) Plastics such as PVC (Polyvinyl Chloride); 3) Metals; 4) Composite material such as fibreglass	1	2
<b>Ukraine Living Planet</b>	Windows. Environmental criteria for life cycle assessment.	SOU OEM 08.002.016.050: 2016	Windows.	1	1
<b>DRY MIXTURES FOR CONSTRUCTION</b>					
<b>India GreenPro</b>	Dry Mix Products	GSPC 019	Ready Mix Plaster	1	1
<b>Israeli Green Label</b>	Dry mixes for construction	24	Includes plaster products for insulation, industrialized plaster products, adhesive products for tiles, grouts for tiles, and sealants and decorative finishing coatings.	9	192
<b>Korea Ecolabel</b>	Aggregate and Fine Powder	EL746.	Aggregate and Fine Powder	162	Not submitted
<b>Russia Vitality Leaf</b>	Dry building mixes. Environmental assessment criteria. Implementation rules.	STO VL 1.11.5745-11-1.0	Dry building mixes.	0	0
<b>Ukraine Living Planet</b>	Dry building mixes. Environmental criteria for life cycle assessment	SOU OEM 08.002.16.070:2 012	Dry building mixes.	6	196
<b>ENERGY EQUIPMENT &amp; APPLIANCES</b>					
<b>China CEC</b>	Technical requirement for environmental labeling products Solar Collector	HJ/T 362-2007	Collectors that utilize solar radiation to heat with liquid as heat conducting media	11	Not submitted
<b>India GreenPro</b>	Solar Photovoltaic Modules	GSPC 020	Rooftop Solar Photovoltaic Modules for Residential and Commercial Applications	1	2
<b>Japan EcoMark</b>	Products Using Photovoltaic Cells	No.135	Residential photovoltaic power generation system, Small-scale power generator/ charger, Installed products (for residential use, industrial use, or public use), Mobile and vehicle-mounted products, Photovoltaic modules, Power conditioners for small-output photovoltaic power generation	6	472
<b>Nordic Swan</b>	Solid Biofuel Boilers	60	Pellet Boiler; Wood boiler; Wood chip boiler	0	0

<b>Nordic Swan</b>	Stoves	78	Fireplace; Pellet stove; Tiled stove; Wood burner insert; Wood stove	6	170
<b>Russia Vitality Leaf</b>	Photovoltaic modules. Environmental safety requirements and evaluation methods.	STO-56171713-017-2017	Photovoltaic modules.	1	1
<b>Ukraine Living Planet</b>	Electrical installation and domestic appliances.	SOU OEM 08.002.27.029:2 017	Electrical installation and domestic appliances. Environmental Criteria for Life Cycle Assessment (Nordic Ecolabelling of White Goods, Version 5.2, 02 June 2013 - 31 December 2018, IDT)	1	20
<b>FLOORING PRODUCTS &amp; COVERINGS</b>					
<b>EU Ecolabel</b>	Wood-, cork- and bamboo-based floor coverings	(EU) 2017/176	indoor floor coverings, including wood floorings, laminate floorings, cork floor coverings and bamboo floorings which are made, for more than 80 % by weight of the final product, from wood, wood-based, cork, cork-based, bamboo and bamboo-based materials or fibres, not containing synthetic fibres in any of the composing layers.	2	2745
<b>Korea Ecolabel</b>	Indoor Floor Coverings	EL246	Indoor Floor Coverings	360	Not submitted
<b>Korea Ecolabel</b>	Soundproofing Products for Building Floors	EL249	Soundproofing Products for Building Floors	11	Not submitted
<b>New Zealand Env Choice</b>	Synthetic Carpets	EC-33-14	Polymer fibre carpets	0	0
<b>Nordic Swan</b>	Floor coverings	29	Carpeted floor; Laminate flooring; Linoleum flooring; Other flooring; Parquet flooring; Wood floors	11	1719
<b>Russia Vitality Leaf</b>	Polyvinylchloride floor coverings. Environmental safety requirements and evaluation methods.	STO-56171713-009-2015	Polyvinylchloride floor coverings.	3	51
<b>Russia Vitality Leaf</b>	Wooden floor coverings. Environmental safety requirements and evaluation methods.	STO-56171713-010-2016	Wooden floor coverings.	1	22
<b>Singapore Green Label</b>	Carpets	39	Broadloom carpets as well as modular tile carpets	12	20
<b>Singapore Green Label</b>	Flooring Products	64	Various floor coverings and carpet underlays such as Timber & Other Natural Materials, Polymers, Plastics, Rubber, Engineered Wood, Resilient that are laid on top of a foundation of concrete or wooden beams	35	40
<b>Ukraine Living Planet</b>	Furniture and floor coverings. Environmental criteria for life cycle assessment	SOU OEM 08.002.06.080:2 014	Furniture and floor coverings from wood	2 (only furniture)	15 (only furniture)
<b>FURNISHINGS &amp; CABINETS</b>					
<b>China CEC</b>	Furniture--Technical requirement for environmental labeling products	HJ 2547-2016	Indoor furniture, including wood furniture, metal furniture, plastic furniture, upholstered furniture, rattan furniture, glass and stone furniture, and other furniture and accessories. This standard does not apply to kitchen cabinet products	2497	Not submitted
<b>China CEC</b>	Technical requirement for environmental labeling products Kitchen furniture	HJ/T 432-2008	Various kinds of kitchen cabinets and fittings except cooking utensils and sink in kitchen	64	Not submitted
<b>Germany TUV Green Product Mark</b>	Furniture	2PFG E 1992	Tables, chairs, desks, outdoor furniture, domestic furniture, office and contract furniture	0	0

<b>India GreenPro</b>	Furniture	GPSC 009	Wood and Non-Wood Furniture - Chairs, Tables, Cabinets etc	2	34
<b>Japan EcoMark</b>	Furniture	No. 130	Not submitted	7	655
<b>Nordic Swan</b>	Furniture and fitments	31	Product types within fitments:; Bathroom fittings; Closet; Kitchen fittings; Lighting; Storage	58	1221
<b>Singapore Green Label</b>	Furniture and fittings	65	Indoor/Outdoor furniture and Interior fittings such as Partition, Window frames, Wall furniture, Skirting strips, Shelves	3	4
<b>Ukraine Living Planet</b>	Furniture and floor coverings. Environmental criteria for life cycle assessment	SOU OEM 08.002.06.080:2 014	Furniture and floor coverings from wood	2 (only furniture)	15 (only furniture)
<b>GLASS PRODUCTS</b>					
<b>India GreenPro</b>	Glass Products	GSPC 011	High Performance Glass for Building Façade	3	161
<b>Japan EcoMark</b>	Glass Products	No. 124	Glass Bottles, Plate Glass, Safety Glass for Road and Railway Vehicles, Electrical glass, Glass for Physics and Chemistry and Medical Use, Glass Filaments, Other Glass Products	6	79
<b>Russia Vitality Leaf</b>	Flat glass. Environmental safety requirements and evaluation methods.	STO-56171713-001-2014	Flat glass.	0	0
<b>HEATING EQUIPMENT</b>					
<b>China CEC</b>	Domestic solar water heating system-- Technical Requirement for Environmental Labeling Products	HJ/T 363-2007	Domestic solar water heating systems with the volume of water tank less than 0.6 m3. However, it is not applicable to the sun-exposure covered tank domestic solar water heating systems	47	Not submitted
<b>India GreenPro</b>	Innovative Equipments & Technologies	GPSC 014	Bio-composters, Rain Water Harvesting Products, Pollution Control Devices, Clean Fuel Convertors, Heat Pumps etc	15	20
<b>Israeli Green Label</b>	Solar water heating systems	85	Includes any hot water storage and solar collector.	2	4
<b>Korea Ecolabel</b>	Assembly-type Floor Heating System	EL247	Assembly-type Floor Heating System	3	Not submitted
<b>Nordic Swan</b>	Heat pumps	59	Air/air heat pump; Air/water heat pump; Water/water heat pump	1	9
<b>INSULATION MATERIALS</b>					
<b>India GreenPro</b>	Insulation	GSPC 012	Insulation Products and Materials	8	32
<b>Israeli Green Label</b>	Thermal and Acoustic Insulating Products for Buildings	25	Panel, sheet, mattress, shell or loose and applied by various methods including placing, filling or spraying such as. Glass wool,mineral wool,Celullose,Organic wool, SyntheticPolymer materials,Rubber	3	6
<b>Korea Ecolabel</b>	Thermal Insulation Materials	EL243	Thermal Insulation Materials	478	Not submitted
<b>New Zealand Env Choice</b>	Building Insulants	EC-25-17	Bulk, resistive-type and acoutstic-type insulation made from: Glass wool; Mineral wool; Polyester; Wool; Cellulose; EPS; XPS; Polyisocyanurate; Polyurethane	4	76
<b>N America Green Seal</b>	Architectral Thermal Insulation Materials	GS-54	architectural insulation materials in the form of batts, blankets, rolls, boards, blown-in / loose fill, spray foam, rigid foam, low-density foam, or rigid fiber.	0	0
<b>Russia Vitality Leaf</b>	Thermal insulation materials. Environmental assessment criteria. Implementation rules.	STO VL 1.05.5760-11-1.0	Thermal insulation materials.	1	4
<b>Singapore Green Label</b>	Insulators	48	Reflective type (aluminium foils with or without core) and absorptive type (glass wool, rock wool, foam).	1	1

<b>Ukraine Living Planet</b>	Heat-insulating materials. Environmental criteria for life cycle assessment	SOU OEM 08.002.016.048: 2016	Heat-insulating materials.	3	12
<b>LANDSCAPING &amp; EXTERIOR MATERIALS</b>					
<b>China CEC</b>	Building decoration engineering--Technical requirement for environmental labeling products	HJ 440-2008	Decoration project of new, expansion and reconstructed civil buildings. In general, it is classified into single project and mass project (building complex). It can be implemented at planning and design stage and acceptance stage based on requirement.	0	0
<b>India GreenPro</b>	Construction Aggregates	GSPC 004	Construction Aggregates	2	2
<b>Israeli Green Label</b>	Cement-based street furniture	6	Includes street furniture elements such as benches, seating systems, faucets, garbage containers, checkpoints, flower pots, pergolas and the like containing and other elements such as wood, plastic and metal, based on cement.	1	1
<b>Israeli Green Label</b>	Substrate	12	The "Bedding" product group will include various materials, other than soil on plants that grow plants and contain natural minerals.	1	1
<b>Korea Ecolabel</b>	Recycled Rubber Products	EL722	Recycled Rubber Products	146	Not submitted
<b>New Zealand Env Choice</b>	Recycled Rubber Products	EC-18-17	All rubber products made from recycled rubber	1	7
<b>Nordic Swan</b>	Outdoor furniture and playground equipment	73	Other outdoor furniture and playground equipment; Outdoor furniture; Outdoor furniture for children; Playground	6	187
<b>Russia Vitality Leaf</b>	Phytowalls (vertical garden modules).	STO VL 1.02. 9690-10-1.0	Conformity assessment of phytowalls (vertical garden modules) to environmental safety criteria. The procedure for organizing and conducting certification.	0	0
<b>LIGHTING EQUIPMENT &amp; FIXTURES</b>					
<b>Russia Vitality Leaf</b>	Lighting fittings. Environmental safety requirements and evaluation methods.	STO-56171713- 019-2017	Lighting fittings.	0	0
<b>PAINTS &amp; COATINGS</b>					
<b>China CEC</b>	Water based coatings--Technical requirement for environmental labeling products	HJ 2537-2014	Water based coatings and putties used together. This criterion is not applicable to water based waterproof coatings and water based marine coatings	1105	Not submitted
<b>China CEC</b>	Waterproof coatings--Technical requirement for environmental labeling products	HJ 457-2009	Volatile curing waterproof coating (two-component polymer cement waterproof coating and single component acrylic polymer emulsion waterproof coating) and reactive curing waterproof coating (polyurethane waterproof coating, modified epoxy waterproof coating and spray polyurethane waterproof coating). It is not applicable to coal tar polyurethane waterproof coating.	269	Not submitted
<b>China CEC</b>	Solvent-based wood coatings for indoor decoration and refurbishing--Technical requirement for environmental labeling products	HJ/T 414-2007	Nitro-, polyurethanes and alkyd solvent face coat and base coat used in indoor decoration and refurbishing. It is not applicable to radiation curable coatings.	185	Not submitted

<b>EU Ecolabel</b>	Indoor and outdoor paints and varnishes	2014/312/EU, amended by Commission decision 2015/886 and 2016/397	Floor coatings and floor paints; paint products which are tinted by distributors at the request of consumer (non-professional) or professional decorators, tinting systems, decorative paints in liquid or paste formulas which may have been pre-conditioned, tinted or prepared by the manufacturer to meet consumer's needs, including wood paints, wood and decking stains, masonry coatings and metal finishes primers and undercoats of such product systems as defined in Annex I to Directive 2004/42/CE.	144	39890
<b>India GreenPro</b>	Paints & Coatings	GSPC 015	Interior and Exterior Paints, High SRI Coatings and Primer	11	185
<b>Israeli Green Label</b>	Low Emission Paints and Coatings	32	Aqueous paints for interior and exterior use. Low-gloss interior and exterior paints. Satin-like or high-gloss interior and exterior paints. Decorative effect paints. Primers and bonding primers. Paints and lacquers for wood and metal including anti-corrosive coatings. Single- and dual-component special purpose paints (such as for floors). Interior and exterior acrylic texture coatings	4	64
<b>Israeli Green Label</b>	Water based sealant	38	Low-emission and low-pollutant products designed to seal joints, vertical and horizontal areas, cracks, and holes in internal and external use	1	12
<b>Japan EcoMark</b>	Paints	No. 126	Lacquer, Resin Solvent Paints, Resin Water-soluble Paints, Paints for Road Surface Signs, Other Paints (Oil-based Paints), Paints for Buildings, Household Paints, Coating Powder, Paints conforming to the Japanese Architectural Standard Specification, Automotive Refinish Paint, Paints Not Listed in JIS or Industrial Paints	20	326
<b>Korea Ecolabel</b>	Paint	EL241	Paint	828	Not submitted
<b>New Zealand Env Choice</b>	Paints	EC-07-18	Water-based coatings; Recycled Paint	6	692
<b>Nordic Swan</b>	Chemical building products	97	Adhesives; Exterior paint; Filler; Impregnating agents for tiles, stone and concrete; Industrial paints and varnishes; Outdoor varnishes and outdoor stain; Primer; Sealants; Self-levelling	30	867
<b>Nordic Swan</b>	Indoor paints and varnishes	96	Indoor paints; Indoor stain; Indoor varnish	25	1915
<b>N America Green Seal</b>	Paints, Coatings, Stains & Sealers	GS-11	Wall and ceiling coatings, including paints and reflective wall coatings, anti-corrosive coatings, including rust-preventative coatings, floor paints, primers (undercoats), stains and finishes, sealers - including concrete and masonry sealers.	13	28
<b>Russia Vitality Leaf</b>	Paints and varnishes. Environmental safety requirements and evaluation methods.	STO-56171713-006-2015	Paints and varnishes.	8	58
<b>Russia Vitality Leaf</b>	Heat-insulating paint material. Environmental safety requirements and evaluation methods.	STO-56171713-021-2019	Heat-insulating paint material.	0	0
<b>Singapore Green Label</b>	Paints & Surface Coatings	32	Epoxy coatings, Solvent-based coatings, Powder coatings, Recycled paint, Water-based coatings (including polymer emulsion paints), PVC membrane coatings, Acrylic surfaces	125	800
<b>Ukraine Living Planet</b>	Paints and varnishes . Environmental assessment criteria life cycle	SOU OEM 08.002.12.019:2 017	Paints and varnishes .	10	318

**PIPES, PLUMBING EQUIPMENT & FIXTURES**

<b>China CEC</b>	Plastic Pipes for Construction--Technical Requirement for Environmental Labeling Products	HJ/T 226-2005	All tubular products (including fittings) such as plastic pipes and plastic-metal composite pipes for construction that replace cast iron pipe and galvanized steel pipe; which include indoor and outdoor water supply and drainage pipe, wire conduit, gas buried pipe, communication buried pipe and their accessory products.	360	Not submitted
<b>China CEC</b>	Technical requirement for environmental labeling products Sanitary wares	HJ/T 296-2006	Sanitary ware products such as face basin, toilet bowl, urinal, bidet, sink, squatting wc pan and bathtub.	37	Not submitted
<b>China CEC</b>	Faucets--Technical requirement for environmental labeling products	HJ/T 411-2007	DN15, DN20 and DN25 faucets installed in sanitary facilities in kitchen, washroom (e.g. toilet or bathroom) with nominal pressure $\leq 1.0$ MPa and temperature $\leq 90^{\circ}\text{C}$ such as ordinary water tap, washbasin faucets and kitchen faucets. It is not applicable to bathtub faucet and shower nozzle.	6	Not submitted
<b>India GreenPro</b>	Plumbing Fixtures and Sanitaryware	GSPC 018	Plumbing Fixtures, Sanitaryware, Clotheswasher and Dishwashers	1	238
<b>Israeli Green Label</b>	Polyolefin Piping, Pipe Fittings and Systems	116	Piping, pipe fittings and systems made from polyolefins (e.g. polyethylene, polypropylene and polybutylene), for flow of heating gas and water under pressure	3	13
<b>Japan EcoMark</b>	Sanitary wares such as toilet bowls, etc.	No. 156	Not submitted	0	0
<b>Japan EcoMark</b>	Faucets	No. 157	Not submitted	0	0
<b>Japan EcoMark</b>	Water-saving apparatus	No. 158	Not submitted	1	1
<b>ROOFING MATERIALS</b>					
<b>China CEC</b>	Waterproof rolling materials--Technical requirement for environmental labeling products	HJ 455-2009	Modified asphalt waterproof rolling materials, high polymer waterproof rolling materials and geosynthetic clay liner. It is not applicable to paper base petroleum asphalt felt asphalt paper, asphalt compound flexible waterproof rolling material and PVC waterproof rolling materials.	93	Not submitted
<b>China CEC</b>	Rigid waterproof materials--Technical requirement for environmental labeling products	HJ 456-2009	Materials such as inorganic waterproof and leakage-preventing material, PCMW and CCCW.	90	Not submitted
<b>India GreenPro</b>	Roofing Products	GSPC 002	Boards, Panels, Ceiling and Plasters	10	135
<b>Korea Ecolabel</b>	Waterproofing Agents for Construction	EL244	Waterproofing Agents for Construction	80	Not submitted
<b>Korea Ecolabel</b>	Sealants for Sealing and Glazing in Buildings	EL259.	Sealants for Sealing and Glazing in Buildings	79	Not submitted
<b>WALL COVERINGS</b>					
<b>China CEC</b>	Wallpapers--Technical requirement for environmental labeling products	HJ 2502-2010	Various wallpapers with paper or cloth as base materials. It is not applicable to wall felt and other similar wall hangings.	20	Not submitted
<b>China CEC</b>	Chemical Gypsum Products--Technical Requirement for Environmental Labeling Products	HJ/T 211-2005	Various kinds of various gypsum products that are manufactured with waste gypsum from industry production ---phosphogypsum and desulfurization gypsum as raw materials except gypsum blocks and plasterboard.	0	0
<b>China CEC</b>	Lightweight Wall Boards--Technical Requirement for Environmental Labeling Products	HJ/T 223-2005	Lightweight wall boards such as plasterboard, fiber reinforced cement board, autoclaved lightweight concrete, lightweight aggregate concrete strip, hollow concrete strip, LCFC and composite panel.	58	Not submitted
<b>Israeli Green Label</b>	Boards and plaster blocks	18	Gypsum panels and blocks	3	32
<b>Korea Ecolabel</b>	Wallpaper	EL242	Wallpaper	88	Not submitted
<b>Korea Ecolabel</b>	Finishing Materials for Wall or Ceiling	EL248	Finishing Materials for Wall or Ceiling	163	Not submitted
<b>New Zealand Env Choice</b>	Gypsum Plaster Board Products	EC-19-15	Paper-faced gypsum; Water-resistant gypsum; Fire-resistant gypsum; Fibre-reinforced gypsum	0	0

<b>Russia Vitality Label</b>	Gypsum plasterboard. Environmental assessment criteria. Implementation rules.	STO VL 1.10.5742-11-1.0	Gypsum plasterboard.	0	0
